She will definitely not see that as cute and will probably think that you see her as fat. Cute animal is another category you can choose from, such as kitty cat. You again have to be sensitive with your choice. A gerbil may be cute for you but she will probably find it offensive if you call her anything from the rat family. After you have chosen the cute name for your girlfriend, to make the name sound more endearing, you might want to add cute words like silly or my little Later in your relationship, you will see that the cute name will always help you out when you want to make her feel more special or when you simply want to apologize for something.
